Tettegouche is a hiker's paradise with miles of trails that overlook the Sawtooth Mountains and wind down to inland lakes, accessible only by foot. The Palisade Valley Recreation Unit features broad scenic vistas coupled with an expanse of multi-use, four-season trails. Two more trout lakes (Bean and Bear) complement fishing opportunities within the park

Tettegouche will give you a great sense of the North Shore: the spectacular overlooks at Shovel Point; rocky, steep cliffs and inland bluffs; the cascading 63 ft. High Falls of the Baptism River; and the historic Tettegouche Camp where visitors can enjoy a rustic cabin, a fire under the stars, canoe and fish.

Tettegouche is also well known for rock climbing opportunities at Shovel Point and Palisade Head and for birdwatching in the spring, summer, and, especially, the fall. Tettegouche also features snowshoeing, cross-country skiing, pack-in, drive-in and cabin camping, including a handicap accessible cabin at beautiful Illgin Falls.
